Re: 2024 Maximum Reimbursement Schedules
Employee Benefit Plans

The 2024 maximum reimbursement schedules for the core dental plan and the enhanced dental plan are now available.

Each year, the Saskatchewan Dental Association updates the procedure codes and dental fees that dentists use to bill their patients. The 3sHealth Maximum Reimbursement Schedules are updated in accordance with the Saskatchewan Dental Association fee guide. Canada Life performs a review of the maximum reimbursement schedules on behalf of 3sHealth Employee Benefits to ensure they are updated appropriately and that there are no gaps in coverage.

The 2024 maximum reimbursement schedules can be found on the 3sHealth website located here:

Please remember that a pre-authorization is required for dental procedures over \$500.
