

Disability Income Plans

3sHealth administers four separate disability income plans:

- CUPE established in 1975 - affiliated with the Canadian Union of Public Employees
- General established in 1975
- SEIU established in 1975 - affiliated with the Service Employees International Union
- SUN established in 1982 - affiliated with the Saskatchewan Union of Nurses

Together, the plans provide wage-loss insurance due to a disability to about 44,000 employees for approximately 80 employers. Plans may include long- or short-term disability benefits, vocational rehabilitation services and coverage for approved leaves of absence.

***Specific information on each plan can be found on this web site
or in hard copy from your employer.***
