

✓ No cost

There is no cost to use TELUS Total Mental Health. This benefit is provided to you and your immediate family members, by your employer, and includes access to personalized care plans and ongoing support from care navigators. If you need more specialized or longer term support, our team of experts can suggest an appropriate specialist or service that is best suited to your needs. While fees for these additional services are your responsibility, they may be covered by your health plan.

🔒 Confidentiality

Total Mental Health is completely confidential within the limits of the law. No one, including your employer, will ever know that you have used the program unless you choose to tell them.
